INVENTORY LIST – MOTOR VEHICLE FUEL PUMPS

[Authorized by MCL 436.1541(1)(3)(4), R 436.1129(4) and R 436.1135(4)]

The following list has been compiled to assist in identifying categories and examples of the type of inventory that would be included as part of the 60% of the total inventory, at cost, to be maintained on the licensed premise for a Specially Designated Merchant and/or a Specially Designated Distributor license with motor vehicle fuel pumps. This is not an all encompassing list and is not a substitute for review and approval by the MLCC.
